## Groundhog Day “Punxsutawney” Phil

The Activity Room was busy on February 2nd with groundhog day, Julie had Groundhog trivia, then every one had fun baking “Punxsutawney Phil” groundhog cupcake’s. They were very cute and delicious!

We were hoping that he did not see his shadow, unfortunately it sounds like we are in for 6 more weeks of winter.

## Fairbury Community Concert

It was a night out on the town with music by “Just Friends”. Irene Pretzer was the winner for the community concert ticket given away by Julie. The couple, who are the dearest of friends, are thrilled to be creating music together. Jimmy Martin has played the piano everywhere from the Carnegie Hall to Minneapolis’. Prestigious Guthrie Theater to stages around the world. Dee Noah has sung with the Detroit Grand Opera Association and the Toledo Symphony. They definitely were a delightful, diverse couple with a powerhouse of musical entertainment.

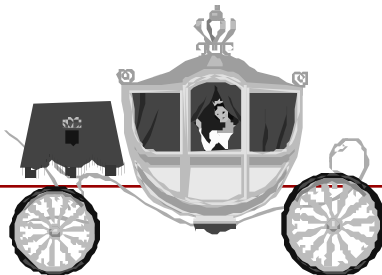

# Valentines Party

Cedarwood crowned King and Queen for 2009. Congatulations to Paul & Martha Rhynalds.

The tenants placed their ballots all week to decide who would be Cedarwood's 2009 King & Queen. Julie played Valentine bingo with everyone and the winners received a special heart shaped box of chocolates.

Paul & Martha, "king & queen" a received box of chocolate's also. Paul shared his chocolate with every one. Julie served kolaches and punch.

This years Valentine party was hit by a winter storm which cancelled the entertainment on Friday, 13th . We substituted with playing bingo, kolaches, and the crowning of this years King & Queen - Paul & Martha Rhynalds. Then on Valentines Day the tenants got there day started with tunes by Ramp entertainment. We enjoyed many familiar songs and his trumpet abilities were outstanding. Thanks to the snowstorm we enjoyed two valentine parties!
